“ To receive spiritual direction is to recognize that God does not solve our problems or answer all our questions, but leads us closer to the mystery of our existence where all questions cease.”

HENRI NOUWEN

The Diocese of Joliet — in partnership with Franciscan University of Steubenville — is offering a special information evening for men and women interested in learning more about the School of Spiritual Direction and the process for becoming a spiritual director.

A spiritual director helps another discern the movement of the Holy Spirit in the life of the one seeking spiritual guidance. The spiritual director facilitates discernment through prayerful listening.

If you feel drawn to this important ministry of spiritual accompaniment, please register for the information session.
